Dreaming of an endless summer of beach hangs, cool tunes, cocktails, sunsets and amazing food? Well, your dream has come true!

Christies Beach is set to be transformed into South Australia's hottest new summer destinations, a hip place for you and your friends to hang this summer.

Think cool 70's Miami Beach vibe with today's latest tunes played by some of SA's coolest DJ's while you sip cocktails at sunset.

Kicking off this Friday, 15th Of December, for the first time, Christies Beach foreshore will be serving up this summer's most exciting destination for locals, tourists and Adelaide's beach lovers with a new pop up hot spot.

Outdoor eateries and bar areas will transform the Christies Beach foreshore along the footpath and boardwalk areas at the corner of Esplanade and Beach Road.

A joint initiative of the Onkaparinga City Council and the team from Australian Trade Alliance, this new venture aims to attract a fun and family friendly vibe.

Onkaparinga Mayor, Lorraine Rosenberg, said that Council is very happy to partner with Australian Trade Alliance to activate one of the most beautiful and accessible beach front areas in Adelaide.

"Our local community loves their beach. This initiative will offer a new eatery and bar area on a temporary basis over the three months of summer. This will be a family friendly area to enhance the experience for our locals, and also attract visitors and other Adelaide families to spend an afternoon or evening at Christies Beach soaking up the atmosphere.

"Australian Trade Alliance is an SA-based company that specialises in event management and creating temporary social spaces. This is an exciting opportunity for Christies Beach to make its mark on the map as a place to visit and enjoy this summer."

Justin McCarthy from Australian Trade Alliance said the venture has attracted some big names in the food and beverage industry who are excited to be a part of Summer at Christies.

"Our Executive Chef, Luke Brabin, is now back from Shanghai where he has been based for the past 3 years and is excited to offer a range of food options including wood oven pizzas, local fish, calamari and chips, burgers and gelato.

"The bar areas overlooking the beach will offer beer from Balter, the beer brand creating waves from the East Coast of Australia; wines from Riot Wines; and of course the popular
